

**How to Receive
the Test Results**

Receive Test Results

- Dr. Bauer Lab. GmbH performs an analysis for the presence of a SARS-CoV-2 infection (PCR test).
- As soon as the result is available, the tested individual will receive an e-mail informing them that the medical report is available in the portal.
- Download the report:
 1. Log in to corona.centogene.com
 2. Select a person

Surname	First name
Musterfrau	Erika

3. Scroll down to the 'Samples' section, where you can view the respective sample number
